

Be Part of the Legacy

Carrboro High School's new auditorium will be a place for student assemblies, speeches and debates, theatre and music performances, college nights, PTSA meetings, and community events. Students, teachers, and administrators will be honored here. Scholars and athletes will receive awards here. And alumni will return here for many years to come. Truly, the auditorium is the heart of a school!

We now invite you to be a part of this wonderful new facility by dedicating a seat in the new auditorium. This campaign will provide additional funds for outfitting the space so that it can become a fully appointed venue for all the purposes it will serve.

Please... Have a Seat!

By participating in the *Have a Seat* campaign you can show your support for the auditorium and the arts at CHS for all time! For a tax-deductible gift of \$250, a plaque engraved with your personalized message will be affixed to a seat in the new CHS auditorium, where it will remain for the life of the building.

Seat dedications are a perfect way to honor a special individual or group, celebrate a graduation, acknowledge a student's accomplishments or thank a favorite teacher!
